

Copyright owner account: partners.movieschain.io

Registration and authorization

Registration

To register, you should perform the following steps:

1. Click on the “Login” button on the Movieschain main page (or the login link);
2. In the registration and authorization window that appears, click on the “Register” button;
3. You should fill in the registration fields:
 - a. Email address - mandatory;
 - b. Password - mandatory;
 - c. Check-box - agreement with the user agreement - mandatory;
4. Click on the “Register” button. In case of successful registration, the copyright owner page opens.

To return to the authorization page, the “Login” button is provided in the form.

To close the authorization and registration window, click on the “cross” button in the upper right corner.

Authorization

To authorize, you should perform the following steps:

1. Click on the “Login” button on the Movieschain main page (or the login link);
2. Fill in the mandatory fields:
 - a. E-mail address;
 - b. Password;
3. Click on the “Login” button. In case of successful authorization, the copyright owner page opens.

For the unregistered user, the “Registration” button is provided, which opens the registration form.

In case of password loss, there is a “Reset” button to enter a new password.

Password reset

To set a new password after the loss of an old one, you should perform the following steps:

1. Open the authorization form;
2. Click the “Reset” button in the authorization form;
3. In the window that appears, fill in the email address field;
4. Click the “Change password” button;
5. A link to change the password will be sent to the specified email address;
6. After clicking the link, a new password change form will appear in a new window;
7. In the "Create password" field, you should enter a new password;
8. Click the “Continue” button. The result will be displayed on the screen.

User agreement

You can open the user agreement by the same-name link on the main page of the portal. The document will be opened in a new browser window and available for download.

Movieschain on social networks

The main page of the portal contains links to the Movieschain pages on the social networks: facebook, twitter, telegram, Instagram, bitcointalk.

Contacts

The email address for communication is info@movieschain.io. If you click the link, an email service will open to send a message to this email address.

Language selection

Select your language from the list of available languages at the top of the page. The portal contents will be translated into the selected language and the page will reload.

Copyright owner account

The following sections are available in the copyright owner account.

Copyright owner information

The field for copyright owner information:

1. Name of the copyright owner;
2. Description of the copyright owner;
3. Phone number;
4. Website of the copyright owner;
5. Social networks link;
6. Type of the copyright owner.

To edit the information in points 1-6, click the “Change” button under the information block. After clicking the button, a form for editing with information fields will open. To apply the changes, click the “Save” button in the form.

7. Logo of the copyright owner. To change the copyright owner logo, click the “Select File” button and select the required file from the disk. After that, click the “Download” button;
8. Copyright on content (jpg, doc, txt). To change the file, you need to click the button “Select file” and select the necessary file from the disk. After that, click the “Download” button.

Copyright owner movies

This block of the copyright owner account contains a list of all uploaded movies with some brief information: name, director, cast, duration, year of release, description. To see more detailed information, click the “Details” button under the video description.

Movie info

To edit the movie information, follow the link by clicking the “Details” button in the movie card. The editable information is as follows:

1. Name;
2. Name in the original language;
3. Country of release;
4. Year of release;
5. Duration;
6. Genres;
7. Description;
8. Director;
9. Cast;
10. Age restriction;
11. Tags;
12. The IMDb identifier;
13. Languages. To select the necessary one, you need to transfer it from the left column of suggested languages to the right one, to remove it - vice versa;
14. Subtitles - srt file. To download a file, click the "Select File" button;
15. Vertical poster: the minimum size is 300x450, 60 kb. To download a file, click the "Select File" button;
16. Horizontal poster: the minimum size is 620x348, kb. To download a file, click the "Select File" button;
17. Distribution on SvoD, AvoD, TvoD, EST: to include this content in the MoviesChain Subscription, you need to tick in the checkbox;
18. Price in the selected currency USD or EUR;

20. Region of distribution. To select the necessary one, you need to transfer it from the left column suggested regions to the right one, to remove it - vice versa;
21. The choice of the distribution start and end dates. Tick the "Indefinitely" checkbox, if required;
22. Additional information;
23. Trailer: tick the "trailer availability" checkbox, if it is to be added. If a checkbox is ticked, access for selecting and uploading the trailer file will be opened in the "Trailer Uploader" block below. To upload a file, after selecting it, click on the "Upload" button;
24. "Save" button: by clicking the button you will save changes in the copyright owner account;
25. "Send" button: by clicking on the button, you will send the data to the server (if there is a tick on trailer availability checkbox, the file should be selected in the trailer uploader block);
26. "Close" button: to close the page without saving changes;
27. Trailer uploader: upload the trailer file here using the "Select File" button (if the "Trailer Availability" checkbox is ticked).

Balance

The block contains the copyright owner balance in the selected currency USD or EUR. The date of the last update is indicated in front of the balance amount. To make a withdrawal request for the account, click the "Withdraw funds" button.

Ethersan

This block contains the address of the etherscan blockchain browser. To go to the etherscan website, click the link in the upper right corner.

Instruction

Instructions for uploading the copyright holder content with the upload address.

“Upload your content to FTP: 62.76.24.76”

Login and password for uploading to FTP is specified in the “FTP Access” section of the copyright owner account.

FTP access

To request data for uploading to FTP, click the “Access Request” button.

If the data already exists, you can check it in this section:

You can upload content files by an external FTP client using this username/ password pair.

WEB uploader

You can also upload content using the web uploader. To do that, click the “Select File” button in this section. After selecting the file, click the “Upload” button.

Before doing that, you need to request FTP access (see the section above).

Exit

To exit your personal account, click the exit button in the upper right corner of the page.
